# DISMANTLES ROLLING IN

Both Minespec Parts Queensland and Minespec Parts New South Wales are packed with machinery to for dismantle, which means plenty of quality tons is coming your way throughout September and October.

With a fleet of six CAT 785C trucks, a Komatsu WA900-3EO loader, two CAT 730Gs, CAT 14G0s and new-shiny-AF-unscarred-tags in the mix, thents a lot happening across both of our facilities.

If you're chasing something specific, now's the time to get in touch with our sales team - these components move quickly and the best gear won't sit around for long!

CONTACT US NOW

The whole team at Minespec Parts would like to wish our Managing Director Simon Ross a

# HAPPY BIRTHDAY!

## WELCOME SHANNON

A skilled mechanic by trade and former BFL service, Shannon brings a rare combination of hands-on mechanical and customer-service experience to the Minespec Parts team. With years of hands-on experience across a range of heavy machinery and vehicles, Shannon has a strong eye for detail and a strong commitment to operational performance and safety.

As a proud father of three, he balances his professional life with a strong family focus. Known for his enthusiastic and can-do attitude from his very first day, Shannon's background in shipping and logistics adds a valuable layer to everything he does.

## WELCOME DARREN HULME MSP NSW SALES

In August 2025, Darren joined the Minespec Parts NSW team, bringing over 20 years of proven experience in the Earthmoving and Mining Machinery Support industry.

A proud Newcastle and surrounds native, local Darren began his career at just 17 years old, starting his apprenticeship as a plant mechanic. Since then, he has built a diverse and accomplished career across various roles, including Field Service Manager, Sales Manager, Minespec Branch Manager, and, for the past 21 years, Parts and Component Sales.

Darren's deep industry knowledge, both in Australia and internationally, makes him a valuable asset to the Minespec Parts team. His broad expertise ensures a strong understanding of customer needs and a commitment to delivering practical, effective solutions to the mining sector.

## Philippines 482 Hires - Mackay Bound!

Our Managing Director Simon Ross recently had the pleasure of meeting 6 interviewees over many days (12 hours) - in Manila Philippines - who have completed their Trade Certificate & Training with the 482 visa hoping to secure an Apprenticeship for Simon and other young trainees.

Minespec Parts are proud to be a part of this host program through @workbridge, in order to mitigate a future day meeting labour - skills - trade services & prestige many other reasons for why Australia is the best place to live, work and raise a family. Simon & party enjoyed a Mackay Sunset Dinner and Mackay Tourist - breaking poverty cycles and increasing profit margins and business capabilities.

Thank you @simon @workbridge for making this happen, and thank you @ubertrak Cat Mackay for showcasing many their with incredible well ups.
