

DISMANTLES ROLLING IN

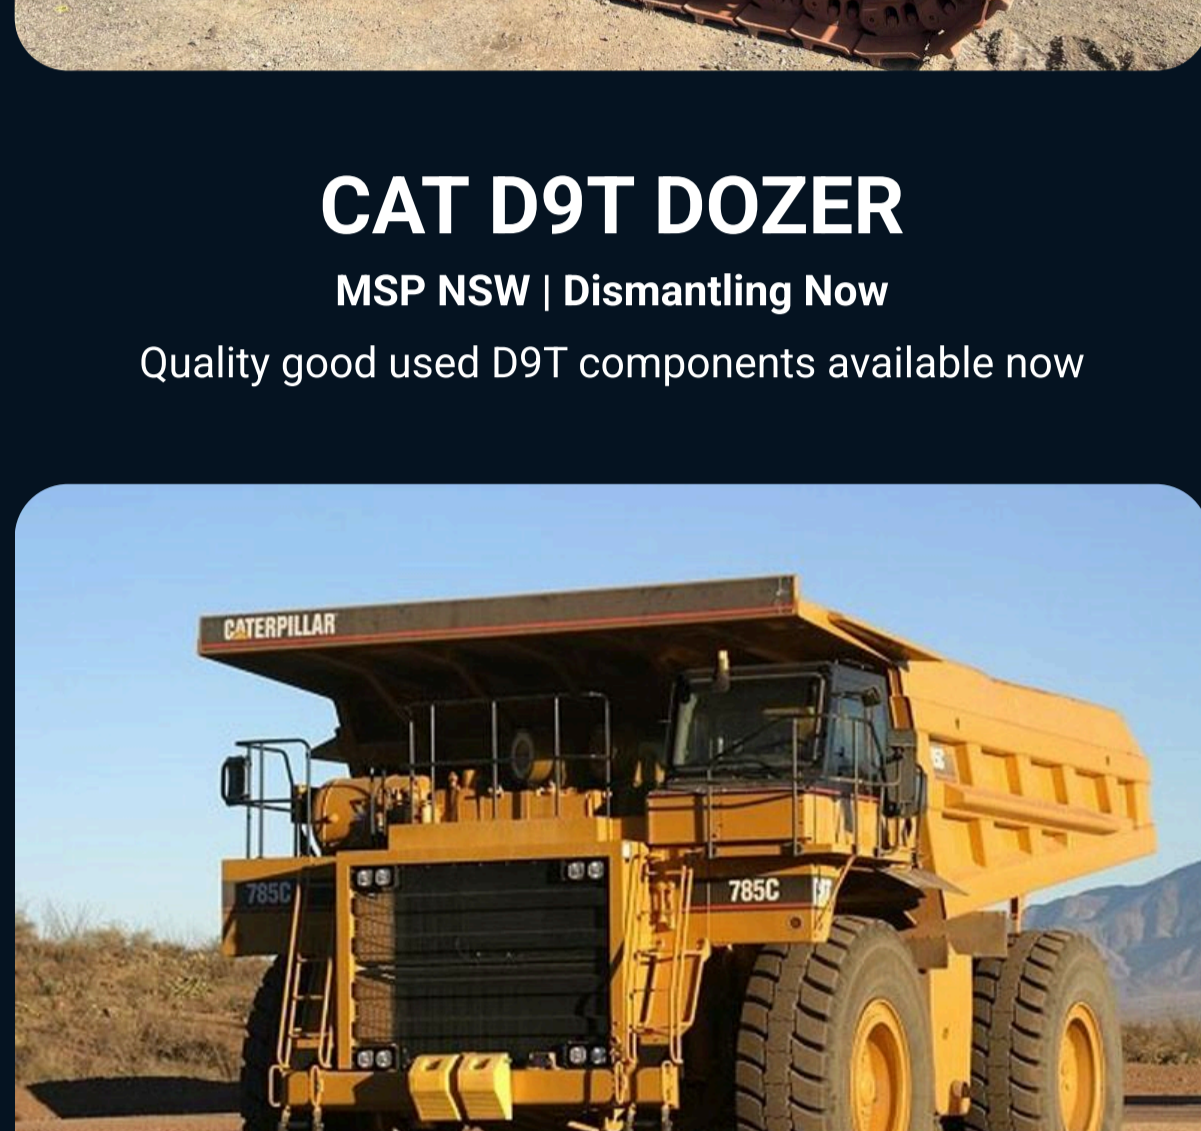

GET IN TOUCH TODAY

Minespec Parts have a tonne of dismantles arriving this month which means plenty of quality good, used components will soon be available throughout March and April.

With a fleet of CAT D10T dozers on the way, Komatsu PC2000-8, CAT 785C trucks, WA900-3E0 loader and D9T dozers already being dismantled, there's a lot happening amongst both our QLD and NSW facilities.

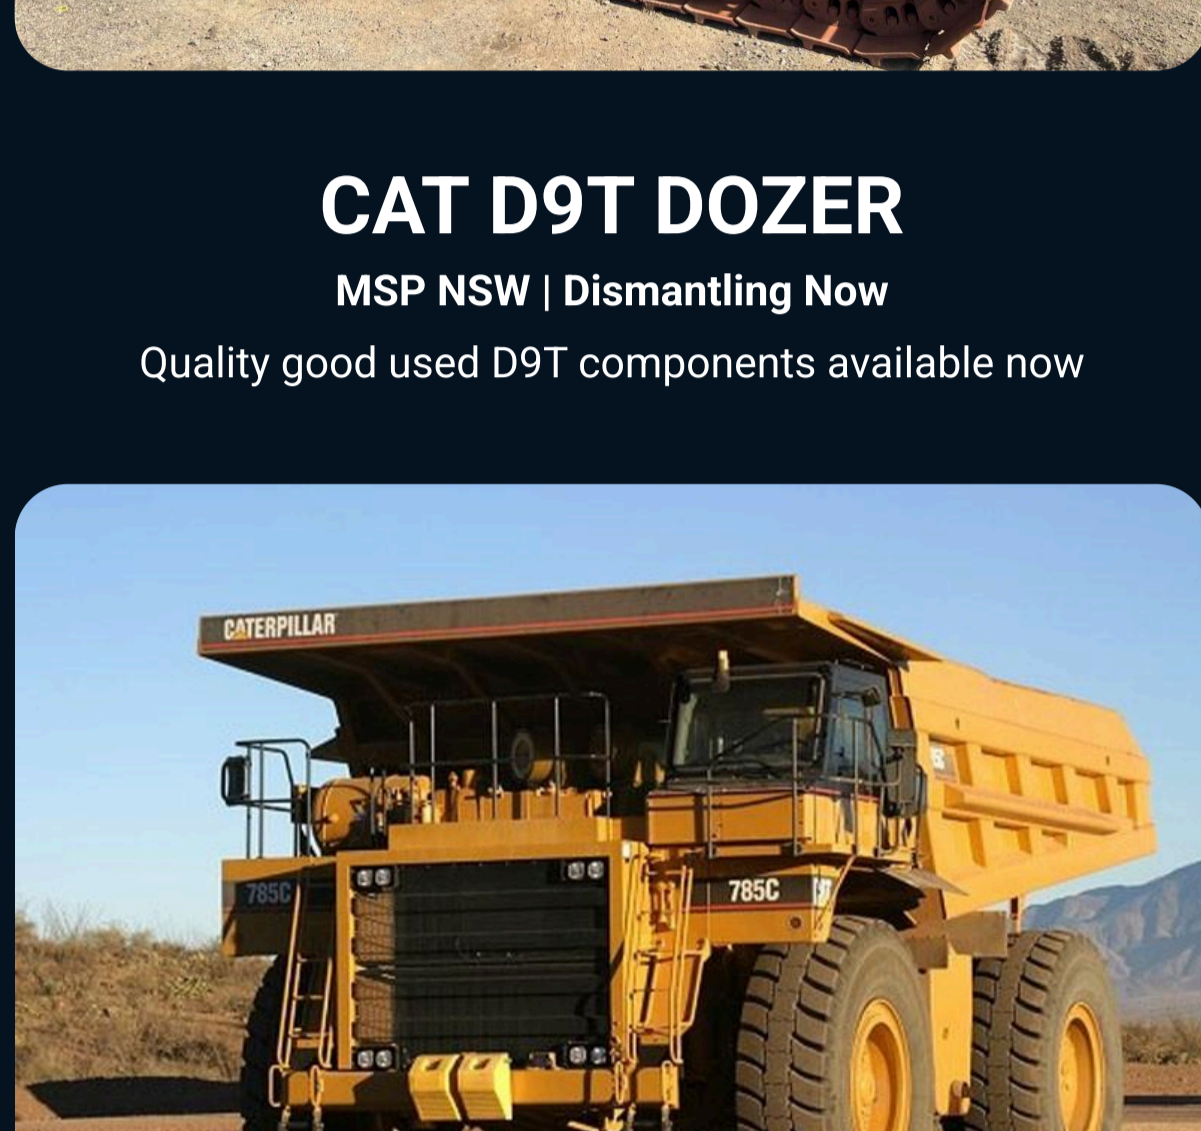

If you're chasing something specific, now is the time to get in touch with our sales team and secure the iron you need to keep your fleet running. These components move quickly, get in touch today!
