AUGUST DISMANTLES

CHECK IT OUT

To our valued customers and suppliers,

The second half of the year is shaping up to be a big one at Minespec Parts. Right now we're dismantling a CAT D10T and a Komatsu WA1200-6, with a tonne of quality used, reconditioned and aftermarket components ready to go at great prices.

Several machines are arriving at our Nebo, Queensland facility throughout August ready for dismantle and our team are here to help you secure the parts you need to keep your fleet running.
